A MESSAGE FROM  
**RABBI ARTHUR SCHNEIER**

Dear Park East Family and Friends,

With gratitude we celebrate the 132nd Anniversary of Park East Synagogue. Emerging from the COVID-19 pandemic, we are still affected by the social and cultural unrest and the viral antisemitism sweeping across the Nation and our City. In a time of societal and technological changes our “Tree of Life” Torah values are anchors for a “new era.” At the Rabbi Arthur Schneier Park East Day School, Fromer Hebrew School and Sunday Shkola, we are transmitting the Jewish heritage, love of Israel and “Love your Neighbor” and “Respect the Other.” The Minskoff Cultural Center is an educational, cultural, social and recreational hub for young and old.

It has been a privilege to build Park East Synagogue internationally known for service to our community, Israel, world Jewry, Holocaust Remembrance and interreligious cooperation, fulfilling a cardinal principle כל ישראל ערבים זה לזה - All Jews are responsible for one another.

We honor Eric and Morgan Mendel, Guests of Honor and Patrons of Education for being exemplary leaders of kindness, generosity and dedication, committed to strengthening Torah, the Jewish people and Israel. Dr. Joshua and Jessica Rein Young Leadership Awardees inspired by their ancestors committed to Jewish education and support of Israel. Ms. Carla Rothman, Woman of Valor Awardee, known for her generosity, dedication to Park East Synagogue and love for our children. Ms. Fran Margolin, Educator of the Year, caring and inspiring educator to her students.

Elisabeth joins me in congratulations to the honorees and appreciation to Philip Weisberg, Chairman, and all members of the 132nd Anniversary Dinner Dance Committee, for the success of this milestone celebration. To all of us, Mitzvah partners, my beloved Congregational family, Friends and Benefactors, may we all merit God’s choicest blessings for our contribution “to the Eternity of the Jewish people” and peace for all Humanity.

A MESSAGE FROM SYNAGOGUE PRESIDENT

## HERMAN HOCHBERG

Dear Congregants and Friends,

Going into our third year of pandemic-related challenges, the Park East community is more determined than ever to keep our Synagogue alive and well. I am so happy that we are having our 132nd Anniversary Dinner Dance in person once again. I am looking forward to coming together to celebrate with all of you and recognizing our outstanding honorees for all that they have accomplished.

As a community, we are devastated by the ongoing attacks against Jews both in the United States and abroad. We cannot be quiet: we must speak up and tell the truth of how Israel must defend its country and citizens. We remain engaged with our local and global network of government officials in our work to protect the Jewish values that we hold dear.

We are strong in our resolve to honor and cherish our Jewish heritage and culture, and pass them down to our children, L'Dor V'Dor. The Rabbi Arthur Schneier Park East Day School and Park East Synagogue's educational programs for children are critical in educating future leaders who will continue these important traditions. The most important thing a parent can do for a child is to give them a great education. This is why we are so proud of our award-winning school with its amazing teaching staff.

I want to congratulate our fantastic honorees for all they do for Jewish education. I want to also thank all of our wonderful fellow members and all those who have supported this important cause. What we are doing is helping to insure the future of our heritage.

Your support will help us reach our goal of not only education for every Jewish child, but will also allow us to continue the fantastic security staff that we enjoy.

Thank you,

Herman Hochberg

GUESTS OF HONOR  
**ERIC AND MORGAN MENDEL**

Eric and Morgan Mendel are deeply involved in Park East Synagogue's religious, educational and cultural programs. The Synagogue has played a key role in many of their milestones as a couple, as they were married by Rabbi Arthur Schneier in 2013. The Mendels are blessed with two young children; their son, Landon, is four and their daughter, Serene, is two.

Morgan served as a Kindergarten teacher at Park East from 2016 to 2019. She earned her Bachelors' and Master's Degrees in Special Education from New York University.

Eric, who serves as the Synagogue's Assistant Treasurer, has worked as an innovator in the long-term healthcare space for more than two decades. He is CEO of Avenir Healthcare Group, which provides management, consulting and administrative services to long-term care facilities. Eric was appointed by the Mayor to serve on the Age Friendly NYC Commission and serves on several Boards, including the Empire State Association of Assisted Living, the Maimonides Medical Center Cardiac Advisory Board and the Board of Directors of the historic Mount Carmel Cemetery. He holds a Bachelor's degree in Economics from Boston University and a Masters Degree in Health Systems Administration from Rochester Institute of Technology.

YOUNG LEADERSHIP AWARD  
**DR. JOSHUA AND JESSICA REIN**

Informed by their passion for Jewish values, education and their support for Israel, Dr. and Mrs. Jessica Rein exemplify young leadership in the Park East community as actively engaged Synagogue members and devoted Day School parents.

Jessica, who is the granddaughter of Holocaust survivors, is passionate about educating all types of people about the Holocaust; she is currently pursuing her Ph.D. in Education with a focus on Holocaust Education from Hofstra University. She holds a Master's in Education from Queens College, has taught at Jewish schools on Long Island, and volunteers as a class parent at Park East.

Joshua is a Nephrologist and Hypertension Specialist at Mount Sinai Hospital, where he conducts research with the hopes to discover new mechanisms for how kidneys function. He completed a Nephrology Fellowship at Mount Sinai Hospital, an Internal Medicine Residency at Mount Sinai Beth Israel and helped open a clinic in Ghana while in medical school.

The Reins, who recently celebrated their tenth wedding anniversary, are the proud parents of three young children: their son, Julian and older daughter, Anneliese, are in second grade and the Nursery 3s, respectively, at Park East, and their younger daughter, Zoe, will be attending Park East's Taste of School program next year. As a family, they regularly attend Shabbat Services at Park East Synagogue, where they also celebrated Anneliese's and Zoe's baby namings. Their children especially love Toby Einsidler's Children Services each week.

WOMAN OF VALOR AWARD

**CARLA ROTHMAN**

As a devoted Synagogue member for more than three decades and a Life Member of Sisterhood, Carla Rothman's life's work personifies "L'Dor V'Dor," in which she believes strongly. She has a deep commitment to children's education and is passionate about empowering the next generation of young Jewish leaders. Carla's passion for Jewish education continues the strong values she shared with her family and late husband, which she continues to pass down to her three beloved grandchildren, Juliana (11), Keane (9) and Gideon (4).

She is the proud parent of her son, Matthew, and daughter-in-law, Ilona. Matthew sang in Park East Synagogue's original childrens' choir, trained for his Bar Mitzvah with Rabbi Harold Einsidler and Rabbi Arthur Schneier officiated at his Bar Mitzvah.

Carla received her BA in Economics and Education and MS in Education and Library Sciences from Hunter College. She taught grades K-8 and served as a school librarian in the New York City Public School system. Carla's enthusiasm for education is also informed by the training she received early in her career through the IAHP (Institutes for the Achievement of Human Potential), where she learned specialized teaching methods geared towards children with brain injuries, observing firsthand the power of high-quality instruction to transform lives.

A regular attendee at Shabbat and holiday services, Carla can recall joining Toby's Children Service and learning many of the prayers when her son was young. Today, she is a generous supporter of Park East Sisterhood and Toby's Children Shabbat Services programs.

Beyond Park East, Carla is a member and supporter of Manhattan Sephardic Congregation, a supporter of Chabad Upper East Side and their Friendship Circle for individuals with special needs, and a member of CAMERA (Committee for Accuracy in Middle East Reporting in America) and AIPAC (American Israel Public Affairs Committee). She is an ardent supporter of Israel, a founder of Ben Gurion University of the Negev and a supporter of Hadassah International's Medical Center at Ein Kerem.

EDUCATOR OF THE YEAR  
**FRAN MARGOLIN**

As a Social Studies and English Language Arts teacher of first, fourth and fifth graders, Fran Margolin is known for inspiring her students through both the real-world applications of her lessons as well as her passion for giving back to the community. She has been a faculty member at Rabbi Arthur Schneier Park East Day School for ten years and her career as an educator in both public and private schools spans more than two decades.

She loves that Park East is a close-knit school community, and enjoys the opportunity to build relationships with students over the years and see them grow. Teaching fourth graders about New York's history and development is a curriculum highlight; she encourages them to explore New York state and establish a new appreciation for where they live.

For Fran, service to others is a core value. Growing up, she was inspired by her mother's volunteer work at her Yeshiva and a variety of community organizations. Fran has visited Holocaust survivors and the elderly, volunteered with a variety of Jewish organizations and the Red Cross, and emphasizes the importance of giving back with her own children as well as her students. She was recently inspired to organize a fundraising initiative for her class in support of Upper East Side Hatzolah. Her students enjoyed a visit with a Hatzolah volunteer to illustrate the impact of their efforts, which were followed by a thank-you-letter writing campaign to the organization.

Fran holds a B.A. in Elementary Education from the University of Maryland and an M.A. in Gifted and Talented Education from C. W. Post College. She is the proud parent of three sons and a daughter-in-law. All three of her sons attended Jewish Day Schools and two became b'nai mitzvah in Israel. She lives on the Upper East Side with her family and looks forward to their weekly Shabbat dinners.

Park East Synagogue  
163 East 67th Street  
New York, NY 10065

Dear Park East Synagogue Congregation:

I am delighted to extend my warmest wishes and congratulations to the friends, supporters, and members of the Park East Synagogue as it celebrates its 132<sup>nd</sup> Annual Dinner Dance. I would also like to congratulate tonight's honorees and recognize their commitment to the spiritual and cultural well-being of the Jewish community in New York City.

Since the congregation's beginning in 1888, the Park East Synagogue has stood as a pillar of strength for Jewish New Yorkers. My good friend Rabbi Schneider has led the vibrant congregation of Park East Synagogue for 60 years. He has succeeded in making it a center for spiritual guidance, support, and learning. Over the past six decades, Rabbi Schneider has played a crucial role in fostering interfaith dialogue for the purpose of advancing mutual understanding, mutual respect, peace, and tolerance. Today, Park East Synagogue is known as one of the strongest congregations in New York City committed to education and community service. The Park East Synagogue stands as a model for other Jewish communities across the country and around the globe.

I am pleased to join the Park East Synagogue in recognizing this year's outstanding honorees for their work in furthering the Synagogue's mission. I congratulate tonight's Guests of Honor, Eric and Morgan Mendel. I would also like to extend my congratulations to Educator of the Year, Fran Margolin, Young Leadership Award honorees, Dr. Joshua and Jessica Rein, and Woman of Valor award recipient Carla Rothman. All of tonight's honorees have displayed a ceaseless devotion to their community and I applaud the work they do.

The Park East Synagogue, Rabbi Schneider, and tonight's outstanding honorees have had a significant impact in improving their communities and the educational future of young people, and their leadership and example have been felt throughout our city. As we begin to go back out in the community and back to work, I hope everyone stays safe and healthy. I send my sincerest congratulations and wishes for an enjoyable evening and an even brighter future!

Sincerely,

Dear Friends,

It is my pleasure to extend warm greetings to Rabbi Arthur Schneier and the congregation of Park East Synagogue on the occasion of its 132<sup>nd</sup> Anniversary Dinner Dance. I issue my heartfelt congratulations to this year's honorees, Morgan and Eric Mendel, Jessica and Dr. Joshua Rein, Carla Rothman, and Fran Margolin. Your contributions to your community are tremendous, keep up the fantastic work. *Alu Ve'Hatzlichu!*

Park East Synagogue and its members never fail to show their steadfast commitment to the State of Israel and I know that I can always count on all of you to stand up for our homeland. But beyond this congregation's stalwart support for Israel, the Rabbi Schneier Park East Day School is clear proof that passing the torch of Zionism to the next generation is a mission of the utmost importance. Thanks to Rabbi Schneier and the Park East institutions, the next generation is being brought up with a profound love and appreciation for Israel, and for that I could not be more grateful.

On behalf of the State of Israel, I thank Rabbi Schneier and the phenomenal members of Park East Synagogue for the tireless work that you do for Israel and for the Jewish people. I wish you many more years of success, growth, and happiness.

Sincerely,

June 8, 2022

Dear Friends,

It is my pleasure to extend personal greetings, through the pages of this journal, to all those in attendance at Park East Synagogue's 132<sup>nd</sup> Anniversary Dinner Dance in support of the Synagogue and Jewish education.

Park East Synagogue, founded in 1888, has long been a vibrant spiritual and cultural center for Jewish life in New York City. It is a place known to embrace all Jewish people, regardless of affiliation and level of observance, and is a center for inter-religious cooperation in a city known for its diversity. In spite of the alarming rise in antisemitism and antisemitic incidents across the United States and here in New York City, the Synagogue and its leadership continue to enable its members to practice their faith proudly, worship in peace and help further their Jewish education. This enables all of us to walk a little taller, feel proud of our Jewish identity and to continue making this world a better place.

As we celebrate the achievements and accomplishments of the past year, I congratulate the evening's honorees: Guests of Honor Eric and Morgan Mendel, Young Leadership Awardees Dr. Joshua and Jessica Rein, Women of Valor Ms. Carla Rothman, and Educator of the Year Ms. Fran Margolin. All of these exceptional people are directly responsible for advancing and promoting Jewish continuity, furthering Jewish education and helping in the efforts of Park East Synagogue and the Rabbi Arthur Schneier Park East Day School. I thank you all for your dedication in the past, present and into the future.

On this occasion, I also take the opportunity to acknowledge and commend the incredible leadership of Rabbi Arthur Schneier, who, since 1962, has led the Park East community with an abundance of passion, dedication and tenacity. I wish Rabbi Schneier much health, bracha and hatzlacha and I am certain that he will continue to act a role model and pillar of inspiration for many years to come.

On behalf of the State of Israel, I extend my best wishes for a wonderful evening and thank all of you for helping make the Park East Synagogue and Rabbi Arthur Schneier Park East Day School true treasures and beacons of light for all people of New York City.

Sincerely,

CELEBRATING  
**132 YEARS STRONG**

# PARK EAST SYNAGOGUE SISTERHOOD

**SISTERHOOD** continues its wonderful work! As a vibrant part of the community we serve, we stay connected to our constituency by phone calls, emails, and numerous newsletters.

We have continued our Chesed work throughout the year by delivering food and treats for all holidays and the response has been more than appreciated.

We also continued with our **ANNUAL CHANUKAH TOY DRIVE**, as well as the **WARM COAT DRIVE**, as well as our partnership with **PROJECT EZRA** at Passover.

We have also continued our **DR. POLLY ETKIND HOCHBERG LECTURE SERIES** with Rabbi Einsidler, this year focusing on Women of the Torah

This year, in May, we held our first in person event, the Annual **DR. POLLY ETKIND HOCHBERG SISTERHOOD SHABBAT** where we honored all women of Sisterhood as **WOMEN OF ACHIEVEMENT**. I am happy to say that the event hosted 160 attendees and was a great success.

We are ending the year with an Open Meeting in the tent, a Wine and Cheese Cocktail!

**SISTERHOOD** remains stronger than ever and we hope to see you at our events next year.
