

PARK EAST SYNAGOGUE CHRONICLE

VOL. LXXXIX, NO. 1

SEPTEMBER-OCTOBER 2023 - ELUL 5783-TISHREI, CHESHVAN 5784

Rosh Hashanah Message

Best wishes for a joyous and sweet New Year 5784.

היום הרת עולם

ON ROSH HASHANAH we celebrate the Creation of the World, currently in transition of revolutionary changes, AI, cyber wars, nuclear threats, climate change, and polarization of societies.

In the New Year 5784, we must address this time of great change. Just like in the 19th century industrial revolution, rise of populism and technological advancement, we are facing technological, scientific and societal shifts, transforming every walk of life. In addition, the Jewish people are facing worldwide anti-Semitism, this ancient hatred, enhanced now by social media, as well as attacks in U.S. and Europe on Synagogues and Jews, and the existential threat to Israel by Iran.

Shana means change. We must enter the New Year with faith and hope, a source for our survival.

For 133 years, men and women of Park East Synagogue individually and collectively have made their contribution to *Tikkun Olam*, improving the world anchored by Torah values.

Children are our Future. Thank you, for supporting their Jewish education, helping them strengthen their Jewish identity prepared to face a New World, serving the Jewish people and Humanity, fostering interreligious harmony and peaceful coexistence. Sadly, to also cope with anti-Semitism and anti-Zionism on United States college campuses.

The State of Israel, our pride and joy for creativity and innovation, has benefitted nations of the world. Arrow 3 system, high tech, advanced healthcare, security, and new sustainable technologies transforming global food production.

As we pray to be inscribed in The Book of Life, we must commit to make a difference through the practice of G'milut Hasadim – deeds of kindness and solidarity.

אהבת תורה, אהבת ישראל, אהבת עולם

Elisabeth joins me in extending best wishes for a healthy, peaceful and fruitful New Year.

Rabbi Arthur Schneier

2023 – 5784

High Holy Days

EXCITEMENT IS BUILDING UP as we are approaching the New Year. We are looking forward to conducting the 134th High Holy Days Services here at Park East Synagogue. We will have a full house in the Main Sanctuary (for members only), the overflow service in the Charles Brooks Ballroom, the Persian Congregation will be in the Melamed Wilf Gymnasium, and on Yom Kippur, we will have an additional open Yizkor service, free of charge, at 1 p.m. – as our community is built on the mission to be an open tent for all Jews.

Rosh Hashanah begins Friday evening, September 15, and continues through Sunday, September 17. Yom Kippur begins Sunday evening, September 24 and concludes September 25. If you have not yet reserved your seats, please contact the office immediately.

Junior Congregation (ages 6-13) will be held on Rosh Hashanah and Yom Kippur at 10:45 a.m. The Children Services (ages 2-5) will be held at 11:00 a.m. May this year be a year of peace and goodness for all of us.

Kol Nidre Appeal

AS WE ENTER the 5784 High Holy Days, we are reminded of the importance of tzedakah. We ask for your generous contribution to our Kol Nidre campaign. The membership fees do not cover all our expenses. Besides operating costs, we continue to provide vibrant services, educational programs, and a seamless sense of community for our members. Our continued commitment to state-of-the-art health and safety, maintaining our services, programs and landmark 133-year-old Synagogue all require significant financial resources. In addition, we continue with our missions of L'dor V'dor, providing from generation to generation a fine Jewish education to over 600 children from all backgrounds every week. With the rising of anti-Semitism and the high profile of our synagogue, we are constantly increasing our security.

We need your help by matching at least what you gave last year, or if possible, a bit more to ensure we can continue to serve the Jewish community for the next generation. We would like to thank all of our dedicated members who have already contributed to our campaign.

I wish you and yours a happy, healthy, peaceful and prosperous New Year.
