Purim Message from Rabbi Arthur Schneier

זכור את אשר עשה לך עמלק

“Remember what Amalek did to you” – Devarim 25:17

THE STORY OF PURIM describes the victory over Haman, descendant of Amalek, our perennial enemy throughout history. Haman, the epitome of disbelief in G-d, was able to seize power and almost wiped out the Jews entirely.

Jewish destiny is linked to the moon, which has eight lunar phases: new moon, waxing crescent, first quarter, waxing gibbous, full moon, waning gibbous, third quarter and waning crescent. As Jewish people were on our way to a full moon upon creation of the State of Israel but this dream was shattered on October 7th, when the world changed.

Amalek is still alive today. The Massacre of October 7th has posed a serious danger to the security of Israel and has unleashed global anti-Semitism and anti-Zionism around the world like we have not witnessed for generations, a devastating concern for Jews everywhere. We cannot remain silent; we must act in the face of widespread conspiracy theories and old anti-Semitic tropes, demonizing Israel and the Jewish people in the news and on social media, and Holocaust denial and even denial of October 7th. United We Prevail, Divided We Fail.

Amalek will never prevail. Am Yisrael Chai! The Divine Promise “I will dwell among the children of Israel, and will not forsake my people Israel.” (1 Kings 6:13),” will stand strong.

Purim Sameach!

Sisterhood

SISTERHOOD continues to be active and a vibrant part of the Park East Synagogue community! We started 2024 with the Warm Coat Drive, chaired by Karen Feldman. We collected several bags of coats and jackets that were picked up by Young Israel of Brighton Beach.

On February 14, Rabbi Einsidler continued the tradition of the Dr. Polly Etkind Hochberg Lecture Series with "The Illustrious and Notorious Females in the Megillah Esther." The event, chaired by Evelyn Mintz, was extremely informative and well attended.

On February 21, Sisterhood, along with Park East Synagogue, hosted another film in our series. There were over 150 people who came to the special preview screening of *SuperNova: The Music Festival Massacre*, followed by Rabbi David Flatto's interview with director Duki Dror, which was both timely and extremely powerful. Thank you to Regina Gil and the Gold Coast Arts Center for making the screening possible.

On March 31, Sisterhood will have a small theater party to see *White Rose: The Musical*. Twenty of us enjoyed a wonderful musical production, based on the true story of German university students who resisted the Nazis.

The Chesed Committee, chaired by Betsy Schrott, will distribute S'loach Manot for Purim and will deliver meals for Passover.

This year, Sisterhood will continue its partnership with Project Ezra to provide Passover food for the Jewish elderly on the Lower East Side. Letters asking for your participation will go out soon.

Lastly, but most importantly, this year the Dr. Polly Etkind Hochberg Sisterhood Shabbat will honor our esteemed and beloved Rabbi Harold Einsidler. We hope that you will all be able to support Sisterhood and join this wonderful community event.

Sisterhood sends warm wishes to all for a sweet and happy Passover

Bedikat Chametz

THIS YEAR the search for chametz will take place on Sunday, April 21 after 8:30 p.m. All homes should be cleansed of chametz before the search. After sundown the search for any leftover chametz takes place. This search is customarily done with a candle but contemporary authorities instruct us to use electric lights as well to ensure that no crumb escapes our sight. The head of the household renounces possession of all Chametz unknown to him/her remaining in the house.

Fast of the Firstborn

ALL FIRST BORN MALES are to fast as an expression of gratitude to G-d who spared the Jewish firstborn when their Egyptian counterparts were slain. Participation in a siyum, the completion of the study of a Talmudic tractate, is accepted in lieu of fasting. On Monday, April 22, morning services will take place at 7:30 a.m. followed by the siyum, and the traditional biur chametz, the burning of the chametz, will take place on the first floor playground, no later than 11:45 a.m.

Shmurah Matzah

THERE IS A SPECIAL MITZVAH to eat Shmurah Matzah on Passover, particularly for the Seders. Shmurah Matzah is under Rabbinical supervision from the time of harvesting until packaging. Congregants can order this special Matzah through the Synagogue office. Orders may be placed online. The cost of the Matzah is \$35 per pound package. Orders must be placed by Friday, April 5.
